

# Stand Alone Case Assessment

**Starter Package Price \$225 + GST**

This is a two-hour stand-alone case assessment. During your assessment, your local Health Advocate will extensively review your current situation and provide a thoughtful educated recommendation.

## Two-Hour Assessment Process:

- Gather information about your current situation and identify key problem areas.
- Brainstorm which healthcare resources are available to you.
- Set thoughtful and realistic healthcare goals.
- Develop an actionable plan to achieve those goals.
