Advance Care Planning

Package Price \$225 + GST

This is a two-hour province-specific coaching session. CHAI Health Advocates can help you prepare for future situations when you are unable to make decisions on your own (*Assigning Substitute Decision Makers, End of Life Planning, etc*)

Our Advocates will help clarify, organize and complete the following documentation:

1. **Substitute Decision-Maker Document** (Province-specific)

This legal document nominates a representative to speak on your behalf to ensure your wishes regarding health and medical care are followed should you become unable to speak for yourself.

2. **Advanced Directive/ Living Will Document**

This is important supporting document helps you articulate and clarify your personal beliefs and values.

3. **No CPR/ Medical Levels of Care Form**

This document outlines the specific medical orders and instructions to guide your care while admitted to the hospital. An Advocate can help you interpret and understand the complex medical language used in this document.

An Advocate can also help you and your loved ones discuss palliative, hospice, and other end-of-life options.
